So This Is Where Lucy Hale Gets Her Stunning Bold Eyebrows From

By Chanel Morel
October 3, 2017

Lucy Hale has recently played around with new hairstyles, but there's one feature that will always be a part of her signature look: her full eyebrows. The *Pretty Little Liars* alum has been on our list of Celeb Brow Goals for quite some time now, and we've dying to know the method behind these perfectly groomed babies. At last, the secret is out.

NUDESTIX Eyebrow Stylus + Gel

This 2-in-1 brow tool contains everything you need for a full brow grooming session. Use the pencil to draw on natural looking strokes, and then flip over to set with a lightweight brow gel.
