BY: MARIANNE MYCHASKIW

Although we love our fair amount of shimmer, there's something to be said about a perfect matte bronzer. When used as a contour, you'll be able to sculpt out a set of super-defined cheekbones that look completely like your own, but they also do double duty to create that perfect sun-kissed glow without the use of any UV rays or a well-placed Valencia filter. So, even if you aren't able to get away for a Memorial Day Weekend at the beach, these bronzers allow you to fake it until you make it there. Scroll down to shop our top 10 faves now.

8. **NUDESTIX** BRONZING PENCIL

Want to contour like a Kardashian? The precision of Nudestix's Bronzing Pencil allows you to fully draw in those hard-to-reach places—say, if you're creating the illusion of a slimmer nose—but there's no need for an arsenal of beauty tools since the formula is soft enough to blend out with your finger.
