

## All the Pretty Birds NEW EYESHADOW PENCILS FOR QUICK MAKE UP

By Michael Marra POSTED ON WEDNESDAY JULY 6TH 2016

Hi Pretty Birds,

In summer, more and more we find ourselves longing for a make up routine that's fast, especially as far as our eyes are concerned. We don't want to give up our coloured eyelids and soft smokey eyes both during the day and in the evening. The solution? Try these new eyeshadow pencils: easy to use, they guarantee impeccable results and they are waterproof and long lasting. We've selected the top 10 pencils for you in the season's coolest colors. Have a look at the gallery and be inspired.

NUDESTIX Magnetic Eye Color in Magnetic Gilt is ideal for those who love golden hues: apply over entire lid and pair it with black eye pencil.

If you prefer a lighter, nude shade, opt for NUDESTIX Magnetic Eye Color in Magnetic Moon.
