## Matte Lip Pencil

Matte lip pencil are truly a great product specially during summer season since unlike matte lipstick that melts and drip along with sweat beads due to heat, Matte lip pencil are chalky and dry than a traditional matte lipstick. So even if you are expose to extreme summer heat your matte lip pencil will stay dry on your lips.

Here are the top Matte Lip Pencil:

**NARS Velvet Matte Lip Pencil Cruella** - It's a dramatic deep dark red that will definitely leave everyone wondering just how you're rocking a melt-free matte red in the heat. Color lasts for hours. It instantly coats lips with rich pigment, imparting a velvet matte finish for seamless color.
