WHAT'S NEW: ORIGINS, NUDESTIX AND TARTE COSMETICS

MONDAY, JULY 11, 2016 • 8 COMMENTS

Three new really great and exciting beauty products from Origins, Nudestix and Tarte worth giving a try.

ORIGINS SKIN ESSENCE WITH DUAL FERMENT COMPLEX, \$29.00

Boost your skin's glow, hydrate, reduce the look of pores, and smooth the texture with the Original Skin™ Essence Lotion with Dual Ferment Complex. This potent, multitasking essence lotion is fortified with a dynamic dual ferment complex to enhance your skin's radiance with its blend of willowherb and Persian silk tree. It provides weightless, oil-free hydration that softens and soothes so that skin looks instantly brighter and vibrantly healthy.

NUDESTIX SKIN GLOSSING PENCIL, \$24.00

This innovative multitasking Skin Glossing Pencil provides translucent shine and natural glow without adding color. It's formulated with 30 percent, super-hydrating lip-protecting plant oils derived from rapeseed, sunflower, cottonseed, and soybean. Lightweight and translucent, it leaves lips with a cushiony feel.

TARTE FRXXXTION STICK EXFOLIATING CLEANSER, \$22.00

Get your quick Frxxxtion fix with this three-in-one exfoliator, cleanser, and face mask all in a portable, solid-to-suds stick. With a clarifying cleansing gel powered by the Rainforest of the Sea™ complex and suspended diatomaceous earth microexfoliants, the vegan-friendly formula draws out surface oil and reduces shine, while purifying pores for the deepest clean possible. Great for all skin types, it can be used on a regular basis without stripping skin's moisture or left on as a treatment mask to absorb toxins and reveal smooth, glowing skin.
