9 Amazing Holiday Pop-Up Shops

NOV 26, 2014
ALI HOFFMAN

Pop-up shops have come a long way in the past few years: What was first foreign and new quickly became wildly popular (maybe even to a fault). But, now, with pop-ups no longer a trending topic, we're left with a refined collection of the best. In other words, a holiday pop-up (generally) no longer means a cramped space packed with last-minute shoppers and a disappointing selection of goods.

To demonstrate this recent pop-up upgrade — or Pop-Up 2.0, if you will — we searched all of Los Angeles for the best temporary shopping sites springing up this season. From an interior-design nut's dream to a denim bar offering some of the best jeans ever, the nine short-term shops ahead are events you *definitely* won't want to miss out on.
