The Must-Have Products For Your Most-Beautiful Winter

Justine Dunton-Rose

Batten down your beauty hatches, it's officially the start of Winter! We're stocking up on the skincare goodies that are going to keep us smooth and supple all season, sexy makeup shades that are guaranteed to heat up the evenings, and deep conditioning hair treats that will repair our Summer damage.

Here we've rounded up the best new beauty products hitting our shelf this month, read on for all the details then click-to-buy your favourites.

Nudestix Eyebrow Stylus, \$34

This all-in-one brow shaper defines, builds and grooms your arches for instant fleek status.

Stockists: Sephora
