*Here at StyleNest we love a strong brow. And with the power to transform your beauty look in an instant, a good brow product is now a make-up bag essential.*

So here StyleNest round up our favourite tried and tested products that will define, colour, and perfect your brows.

**NUDESTIX EYEBROW STYLUS PENCIL AND GEL**

New beauty brand NudeStix have thought of everything, and impressed StyleNest with their Eyebrow Stylus Pencil and Gel. Not only is the waterproof brow pencil super easy to use for a natural but defined finish, but it also comes with its own little clear gel, and in a cool little tin. The addition of a conveniently large mirror also makes it perfect for on-the-go touch ups.
