## The HOT LIST: This Week's Guide To What We Love

*ReallyRee – June 16, 2016*

### Hot List-Summer In The City

Here at Really Ree we love a bit of luxury for less and this bag certainly falls into that category.

With over £150 of value and costing only £40 it's filled with holiday sized products you'll actually use, as well as a stylish beach bag from designers Lily & Lionel. Our top picks are the Nars Laguna bronzer, the iconic Caudalie Divine Oil, the heavenly REN anti-pollution mist and the **Nudestix** pencil which is the ultimate, easy, holiday makeup solution.
