

8 Beauty Sticks for the Lazy Girl in All of Us

By Lisa Cohen Lee

Blame it on the sun or those sizzling temps, but summer is that special time of year when we all get a little lazy with our beauty routine. Really, who's contouring when it's 100 degrees out? Before you vow to go makeup-free 'til fall, check out our list of effortless beauty sticks that will streamline your skincare and makeup routine in no time flat — which is exactly what you need to stay #flawless in the sweltering heat. We rounded up the latest products that will change your beauty game and are perfect for toting along on those end-of-summer vacays. So scroll down, and toss one or all of these in your makeup bag, stat.

7. **Nudestix** Skin Glossing Pencil (\$24): Want to easily get in on the non-touring makeup trend? This no-color, sheer stick with hydrating plant oils lends a natural glow to cheeks, lids and lips. Draw it on for a naked-looking face that's totally self-worthy.
