### Watch This Vlogger Transform Into Teyonah Parris Using Only NUDESTIX Products

This month, we tasked beauty vlogger Jasmine Rose with recreating one of our favorite Teyonah Parris looks using one product from our August BeautyBox: **NUDESTIX**. The makeup crayons are crazy affordable, multi-functional and packed with enough color to cover all the bases. Whether they're used alone or in combination with other products, these travel-friendly sticks are a must, no matter your makeup ethos. [Both the Lip/Cheek duo](#) and the [Sheer Eye Colour](#) were used to replicate Teyonah's makeup from the 19th Screen Actor's Guild Awards. Press play to watch this unbelievably easy transformation.
