

## 10 Beauty Picks We've Been Obsessed With Throughout September

Carmen Chong | September 27, 2016

From time to time we are fortunate enough to be given the opportunity to put the latest beauty products to the test and share with you our thoughts. From skincare and haircare to makeup, here are 10 exciting beauty picks we ought you should give a shot:

3. **Nudestix** Intense Matte Lip & Cheek Pencil (RM92) – Packed in a eco-friendly collectible tin with a mirror and sharpener like all other offerings from Nudestix, the Intense Matte Lip & Cheek Pencil has fast become our go-to matte lippie for its non-drying, highly pigmented and long wearing formula. As a blush, it offers a pretty, naturally flushed finish.
