17. Nudestix Skin Glossing Pencil, \$24.

Do you want a highlighter that makes your skin look dewy and gorgeous, but that's also easy to transport and apply? Nudestix is gonna change your life. Not only does this genius multi-use pencil add the perfect amount of glow to your skin, it also comes with a useful carrying case AND a sharpener. Blend it quickly, though — once this baby sets, your skin will be shimmering all day. (\$24, Sephora)
