

## 10 Beauty Products Every Secretly Trashy Girl Should Own Mariam Sharia | September 12

So you don't shower every day. You wash your hair a couple of times a week. You roll out of bed 10 minutes before you have to be out of the house. Some weekends, you don't even change your clothes. Some days, you go to work wearing clothes you slept in. Ain't no shame in any of this, girl.

You work hard, you play hard, and you need beauty products that go hard.

It's not difficult to look put-together if you have the correct tools— simple, fast-acting, seemingly effortless. Allow me to drop some knowledge on you, from one secret garbage can to another:

### 1. **NUDESTIX** Clean-Up Pencil:

*Instagram*

Makeup remover in pencil form? REVOLUTIONARY. Quickly fix your morning mascara-smear'd raccoon eyes. Remove the foundation creases bunching up around your nose. It's like a Command + Z quick key for your FACE.
