These Contouring Sticks Are Taking Over the Makeup World

Whether you're a newbie or a pro, these products will help you achieve perfectly sculpted cheekbones in no time.

By Taylor Borde | Oct 20, 2016

Nudestix Sculpting Pencil

With this blendable, creamy dual-ended pencil, you can create the illusion of a slimmer face in seconds. Bonus—it contains shea butter and vitamin E for moisturized skin throughout the day. (\$24; beautylish.com)
