

14 Amazing Beauty Products You Can Buy At Urban Outfitters

by Andrea Navarro | October 25, 2016

The beauty section at Urban Outfitters deserves a lot of credit thanks to a variety of products and lineup of cool indie brands. You can find everything from hair tools to face masks to color cosmetics at the fashion-forward shopping destination. Ahead, we've gathered a selection of standout beauty essentials to score during your next trip to the mall mainstay.

Another great multi-use product is a cheek and lip pencil. Give your features the perfect amount of color with this hydrating gel formula.

- Lip & Cheek Pencil, **Nudestix** \$24
