## 13 Tricks to Make Your Eyebrows Look Amazing

Frame your gorgeous eyes with these easy tips.

BY CARLY CARDELLINO | NOV 2, 2016

Your brows frame your face and give it structure, so it's important to keep your tiny arches on point at all times. Worried yours are looking a little wonky? Have no fear: Makeup artist and brow wiz [Cyndle Komarovski](#) shared what small errors can make your arches look off and how to make them pretty, pronto.

**YOU'RE WEARING TOO MUCH HIGHLIGHTER ABOVE AND BELOW YOUR BROW**

**6. If you're using too much highlighter:**

Outlining your brows with a highlighter can put too much of a spotlight on your arches. Instead, opt for a concealer that's one shade lighter than your skin to brighten up your brow area. [NudeStix Concealer Pencil](#) is a good option.
