Best Under-\$50 Beauty Holiday Gift Ideas 2016

Can't go wrong!

By [Marissa DeSantis](#) | December 14, 2016

We're now well into gift guide season, and there are plenty of beauty options to consider, whether you're headed to the drugstore or looking for a major splurge. Of course, there's also a whole world of options just waiting to be discovered in between those two extremes. If you're in need of a little gifting inspo that won't break the bank (but isn't in the budget category), we've rounded up some of our favorite holiday beauty treats under \$50.

Whether you want to pick up a cute gift for your roommate or spoil your mom without bursting into tears when your bank statement comes in, we've got you covered. From limited-edition makeup kits to luxe hair sets and festive bath bombs, check out all of the gifts we wouldn't mind receiving, ahead!

Click through to see our 22 under-\$50 picks for all your friends, from the glitter enthusiast to the strobing expert!

11/25

For the beauty multitasker:

Nudestix #BerryNudeLips Kit, \$24.

This limited-edition collection of mini rose, nude, and berry lip colors can also double as cheek shades for on-the-go beauty at its finest.
