18 Beauty Inventions That Are Too Brilliant For This World

January 19, 2017 | By Lindsey Robertson

One of the best things about the world of beauty is that the requisite accessories are constantly undergoing upgrades and transformations. It seems as though every year there is a new, breakthrough beauty product that is here to address the specific and gnawing woes of the previous year.

For those of you who feel as though you could use an ingenious update to your daily beauty routine, here are a few beauty inventions that may very well knock your pedicure socks off.

Take a gander into your beauty future:

16. Try the **Nudestix** Clean-Up Pencil when you accidentally screw up your makeup.

Just swipe the pencil over the unwanted makeup spots and watch them disappear. Get it here for \$24.
