

### 17 Affordable Forever 21 Beauty Buys You Need In Your Collection ASAP

By: Summer Arlexis – March 12, 2017

If there's one thing Forever 21 does well, it's offering budget-friendly options for the penny pinching trendsetter. Now that it's slowly transforming into a mecca for cheap, but impressive cosmetics, the best Forever 21 beauty buys make the store a shopper's paradise.

If you never thought the day would come when beauty products would make their way onto the list of things you should buy at Forever 21, think again. As of late, the massive clothing retailer has been on a roll in the beauty department. Expanding their collection to include products that are equally affordable and top quality, the brand's latest beauty collaborations have shook the internet. Take the recent Forever 21 x SUVA Beauty partnership for example, a deal that had makeup fanatics lusting over every dreamy piece of merchandise. Teaming up with the likes of beauty powerhouses like SUVA means Forever 21 can now be your one stop shop for snagging wardrobe staples and beauty essentials all at once.

# NUDESTIX

Whether you grab a few lippies and eye liners in passing or virtually shop the beauty selection online, Forever 21 likely has something that'll make you fall in love. Be prepared to go crazy on an involuntary shopping spree because these 17 beauty gems are too good to pass up.
