8 Super-Compact Makeup Essentials That Make Life Easy

March 14, 2017 | By Lauren Valenti

When you wear makeup, touch-ups are par for the course. But because toting around a makeup bag all day is not exactly practical, more often than not our full-sized essentials are crowding our carryalls or spilling out of our cramped clutches. That's why we look to these mini, super-compact essentials, which fit snug in our handbags while keeping the morning's look in tact.

6. NUDESTIX INTENSE MATTE LIP + CHEEK MINI SET

A 3-for-1 product is your handbag's best friend and these neutral, waterproof sticks can function as matte lipstick, lip liner, or blush.

NudeStix Intense Matte Lip + Cheek Mini Set, \$24; sephora.com.
