33 New Beauty Products You Need To Try ASAP

April 13, 2017 | By Sarah Han

We hope you love the products we recommend! Just so you know, BuzzFeed may collect a share of sales from the links on this page.

NUDESTIX

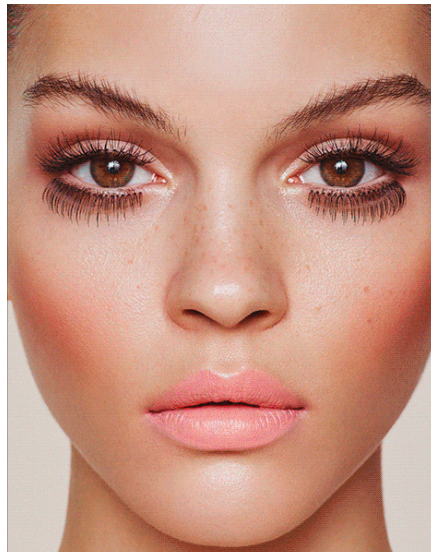

21. **Nudestix** Nudies All Over Face Color Bronze + Glow are dual-ended crayons with shimmery, lightweight brighteners and a brush for stippling.

These aren't just for cheeks! The model on the right also applied product to her eyelids for a subtly glam monochromatic look. Literally just swipe it all over your face, gogogo.

Get it from Sephora for \$30. / Available in three shades.

You experimenting with all of your new makeup goodies:

WERK them all!!
