

From SPF hairspray to tinted moisturizer, here are 20 items to pack for your ultimate Coachella beauty survival kit  
April 13, 2017 | By Amanda Grace

The East Coast may have started music festival season with Woodstock, but now it is all about the West Coast and Coachella. The 2017 Coachella lineup has everyone from Lady Gaga to Lorde to classics like Hans Zimmer and New Order performing. The California festival runs two weekends from April 14th through the 16th and April 21st through the 21st.

Many fans choose to stay on-site for the entire weekend. Desert sun, all day music festivities, and camping — we know your beauty routine is going to be put to the test! We came up with a handy survival guide to make sure you look (and feel!) your best, all weekend long! Add these to your Coachella beauty products packing list for fuss-free beauty!

From soothing eye masks to thermal face mists, these beauty products will make you feel like you have your own private spa at Coachella!
