The 14 Must-Have Items To Pack For Coachella  
How to stay looking (and feeling) fresh, despite desert conditions  
By: Jenna Igneri – April 10, 2017

Coachella is quickly approaching, and with temperatures projected to reach the 90s, it's gonna be a hot one. Whether you're a Coachella veteran or a festival newbie, it's a challenge to avoid looking like a sweaty, melted mess. However, there are a couple of things that every festival-goer should keep in their arsenal, a survival kit of sorts. But what, exactly, should be included?

We rounded up 14 must-have items that'll ensure you look and feel fantastic all weekend long. Say goodbye to sweat-induced raccoon eyes, and hello to dewy, fresh skin. From sweat-proof, waterproof, and essentially life-proof makeup to all-over SPF protection (including for your boho beach waves), we've got you covered—literally.

Click through the gallery below to see what we'll be packing.

# NUDESTIX

**Nudestix**, Nudies Matte All Over Face Color in 'Bondie Bae,' \$30, available at Macy's.

These gorgeous all over face sticks will help you get the prettiest dewy, sun-kissed glow. The best part? They're waterproof, so you won't be sweating it off midday.
