

THE ZOE REPORT

10 Sephora Products To Stock Up On This Summer

By Andrea Navarro June 2, 2017

Can you think of a time you walked into Sephora and *didn't* see a slew of new products in every aisle? Neither can we. With summer swiftly approaching, our favorite brands are releasing a ton of new beautifying gems that we can't wait to get our hands on. If your own vanity needs a summer revamp, these are the products you'll want to snag at Sephora ASAP. Here, our top Sephora picks for the warmer, sunnier days ahead.

#Babeboss Faves Box, **Nudestix** \$59
