# NUDESTIX

21. **Nudestix** #Babeboss Faves Box are six handpicked favorites (by Nudestix co-founders and influential beauty bloggers) that cover balms, gels, pencils, and matte color for both lips and cheeks.

The set includes:

- Cream Lip + Cheek Pencil in Sin (rose nude)
- Intense Matte Lip + Cheek Pencil in Stiletto (hot red) and Purity (natural nude)
- Gel Color Lip + Cheek Balm in Pulse (glossy nude)
- Magnetic Matte Lip Color in Boho (matte brown) and Burgundy (rich matte corduroy)
- Sharpener

**Promising review:** "I work in an ER and do not have time to touch up my lips. Even after 12 hours these look great and STAY matte, and if you put gloss over them, it will still be there after you have eaten, talked to tons of people, etc. This is one of my best purchases ever!" —dras

Get the set from Sephora for \$59.
