Our Ultimate List of the Best Canadian Beauty Brands

JUNE 2, 2017 ALYSSA CROEZEN

If you haven't heard, Canada is turning the big 1-5-0 this year. Over that century and a half, we've created many amazing things (basketball, zippers, butter tarts, etc.). But our beauty-obsessed minds are focused on all the skincare, makeup and haircare that's being produced right in our backyards.

To remind you that you don't have to go international for everything you need to stay looking your freshest, we rounded up some of the best Canadian beauty brands and their outstanding products. Click through to find out what brands you should know about, and what products you're about to fall in local love with.

Nudestix

Nudies All Over Face Color Bronze + Glow, \$33, sephora.com

Why we love them: This Toronto born-and-bred company is all about the natural look. Sisters Ally and Taylor created simple and easy-to-use makeup for anyone looking for just a hint of colour and a fresh-faced look. Their products are enriched with antioxidants and moisturizers to keep you glowing all day, every day.

Their stand-out product: Need an easy way to bronze and highlight? The Nudies All Over Face Color Bronze + Glow creates a sheer but buildable glow that blends like a dream for that subtle, everyday look.
