### The 9 Best Eye Creams, According to Dermatologists

*Fine lines, dark circles, or sun damage? These dermatologist-approved under eye creams can help.*

Suze Yalof Schwartz | June 28, 2014

#### Best under eye creams

When it comes to eye creams, one product definitely does not fit all. Find the formula designed to target your under eye issues with this guide to the best eye creams on the market. Whether you're hoping to banish dark circles, soften fine lines, erase sun damage, or minimize the signs of aging, these incredible creams and serums will help treat your specific skincare concern. Best of all, we

polled dermatologists to get their top picks—so you know that these formulas will really live up to their claims.

#### Eye cream for dark circles and fine lines

To buy: Estee Lauder Advanced Night Repair Eye; \$60, [sephora.com](http://sephora.com)

"I love this product. It's tried-and-true; the Night Repair line has been on the market for a long time and has proven itself with my patients. Most of my ethnic patients complain mainly of dark circles under the eyes, and have found this product to be really helpful in improving dark circles as well as fine lines."

—**William Kwan**, MD, a dermatologist based in San Francisco
