I Tried the High-Gloss Trend For Fall, and I Have a Lot of Thoughts

Kirbie Johnson | September 19, 2017

Time to get glossy, glossy. We're seeing lips take a back seat to glossy skin, eyes, and hair this season. But how do you create a look that's about amping up the shiny, lacquered style without looking like you're sweating profusely? I created a look that I feel embodies this trend without going overboard — one I'd feel comfortable wearing all day long.

Products Used:

CoverFX Custom Enhancer Drops in Sunlight

Butter London Glazen Eye Gloss in Unicorn and Spark

NudeStix Glossing Pencil

MAC Clear Lipglass

Redken Beach Envy Volume Wave Aid
