

## Online Dating: New book takes on swipe-right culture, relationships today

Larry Beil Friday, August 24, 2018

## SAN FRANCISCO (KGO) --

If you have a dating app on your phone, listen up. Doctor Robert Huizenga has worked with celebrities, athletes and TV dieters.

But he stopped by ABC7 News to talk about something different -- relationships.

He has a new book out called "Sex, Lies & STD's."
