The Best Drugstore Moisturizers That Prove You Don't Have to Spend a Lot for Great Skin

By Kathleen Felton. March 11, 2019

2. Best drugstore face moisturizer: Eucerin Daily Protection Face Lotion SPF 30

"I love Eucerin products," says [Anna Guanche, MD](#), a dermatologist and celebrity beauty expert based in Calabasas, California. "They are all soothing and emollient." Our pick: Eucerin Daily Protection Face Lotion SPF 30, an ideal daytime formula that's fragrance-free, packs SPF 30 from zinc oxide and titanium dioxide, and is lightweight enough to wear under makeup.
